# THE MAGNUM 550

The simplest fog solution housed in a professional body.

The Magnum 550 Fog Machine provides the DJ with a perfect boost of dense white fog to enhance every light effect.

Its fast heat-up time and extended operational period make the Magnum 550 the clear leader in its class.

Housing a 600-watt ECO-Mass Vaporizing System for economical and even distribution of fog, and supplied with a remote control,

the Magnum 550 will give many years of maintenance-free operation.

The 550 is fitted with the same high quality protection as the Magnum 2000 providing an economical solution with absolutely no compromise.

Built tough with a rugged chassis, the Magnum 550 is perfect for the mobile DJ and more grinding environments.
